- E.** The parties have complied with the requirements of Local Rule 26(f)(2)(B) regarding discovery of electronically stored information and have concluded as follows:

The parties do not anticipate any problems with ESI and agree to produce relevant ESI in print or PDF format whilst preserving same in native format.

- F.** The court imposes the following further discovery provisions or limitations:

- ☐ 1. The parties have agreed that defendant may obtain a Fed.R.Civ. P. 35 (L.U.Civ.R. 35) medical examination of the plaintiff (within subpoena range of the court) by a physician who has not examined the plaintiff, and that defendant may arrange the examination without further order of the court. The examination must be completed in time to comply with expert designation discovery deadlines.
- ☒ 2. Pursuant to FED.R.EVID. 502(d), the attorney-client privilege and the work-product protections are not waived by any disclosure connected within this litigation pending before this Court. Further, the disclosures are not waived in any other federal or state proceeding.
- ☐ 3. Plaintiff must execute an appropriate, HIPAA-compliant medical authorization.
- ☒ 4. The court desires to avoid the necessity of filing written discovery motions where court participation in an informal discussion of the issue might resolve it, even after the parties have been unsuccessful in a good faith attempt to do so. Consequently, before a party may serve any discovery motion, counsel must first confer in good faith as required by Fed. R. Civ. P. 37(a)(1). If the attorney conference does not resolve the dispute, counsel must contact the chambers of the magistrate judge to request a telephonic conference to discuss the issue as contemplated by Fed. R. Civ. P. 16(b)(3)(B) (v). Only if the telephonic conference with the judge is unsuccessful in resolving the issue may a party file a discovery motion.
